

## What are the Profiles of Our Diverse Suppliers?

Aon Cornerstone partners with US diverse suppliers that maintain local and national certifications. Diverse categories include, but not limited to:

- Minority Owned Business Enterprise (MBE)
- Women Owned Business Enterprise (WBE)
- Veteran Business Enterprise (VBE)
- Disabled Veteran Business Enterprise (DVBE)
- Small Emerging Business (SBA)
- Historically Underutilized Business (HUB)

## What Services Do Our Partners Provide?

Aon Cornerstone sources top-tier MWBE talent across the professional services sector. In particular, our partners have full competencies in the delivery of risk management and human capital solutions. Clients benefit from access to unique solutions that may not be available in the broader marketplace. Scope of services include, but are not limited to:

- Risk Management Consulting
- Brokerage Placement
- Actuarial Services
- Safety & Loss Control
- Claims Management
- Health & Benefits (Global)
- Retirement / Investment
- Talent & Rewards
- Communications
- Fulfillment / Administration
- Call Center Management

## How Do We Support Quality Client Outcomes?

Aon Cornerstone's delivery model ensures top talent MWBE partnerships:

- **On-boarding Protocol:** Our partners undergo a rigorous approval process. A dedicated Aon verification group is in place to ensure appropriate certifications and compliance to local and regional regulations.
- **MWBE Alignment:** Understanding both *Client* needs and *Partner* competencies, Cornerstone is able to provide superior MWBE matchmaking for each client project.
- **Active Engagement:** Cornerstone maintains close working relationships with our MWBEs throughout all project engagements
