

As your trusted advisor in the global reinsurance marketplace, your best interests always remain our top priority. Our role as your advocate means we listen to your challenges and provide expert solutions based on a thorough understanding of your business.

Relevant Analytics

Data is the foundation of understanding your risks. At Aon Benfield we go one step further by using our tools and experts to bring data to life and help transform your business decisions.

- Aon Benfield Analytics — through a USD130m+ annual investment, Analytics brings proprietary modeling and advisory capabilities to clients
- ImpactOnDemand®—risk mapping tool that helps clients with exposure visualisation and quantification
- Impact Forecasting — over 100 customizable and transparent models covering 12 perils across nearly 50 territories
- Catastrophe Insight website — contains more than 10 years of historical catastrophe data

Access to All Forms of Underwriting Capital

Aon Benfield opens the door to a wide range of risk transfer options—from traditional and facultative reinsurance structures to alternative structured solutions, insurance-linked securities, and run-off solutions. This means we are able to better align protection to each client's unique business model.

- Aon Securities — consistently ranked as the world's leading reinsurance investment bank, the team specializes in delivering capital markets solutions and advisory services to clients. It has brought to market around USD23bn in ILS issuances since 2005
- CATstreamSM — utilizing template documentation and pre-agreed wordings, this client facility enables catastrophe bonds to be established in less than half the time of the typical non-standardized products, thereby offering clients faster and more efficient access to capital markets capacity

Knowledge and Understanding of Your Needs

With a global network comprising more than 3,000 colleagues, we have the expertise and skills to understand your needs, objectives and total cost of risk. Whether you are seeking to enter a new line of business, or are concerned how an emerging peril may affect your aggregations, we will help clarify your position so you can move forward with confidence.

- ReMetrica® — capital modeling tool to help identify your optimal financial strategy
- Inpoint — expert advice on achieving sustainable business growth and improved efficiency
- Publication of more than 70 thought leadership reports annually to help clients make strategic business decisions

About Aon Benfield

Aon Benfield, a division of Aon plc (NYSE: AON), is the world's leading reinsurance intermediary and full-service capital advisor. We empower our clients to better understand, manage and transfer risk through innovative solutions and personalized access to all forms of global reinsurance capital across treaty, facultative and capital markets. As a trusted advocate, we deliver local reach to the world's markets, an unparalleled investment in innovative analytics, including catastrophe management, actuarial and rating agency advisory. Through our professionals' expertise and experience, we advise clients in making optimal capital choices that will empower results and improve operational effectiveness for their business. With more than 80 offices in 50 countries, our worldwide client base has access to the broadest portfolio of integrated capital solutions and services.
