

Non-Marine

Global ReSpecialty

Aon Benfield's Non-Marine team has the proven ability to structure and place the world's largest risk programs, including specialist retrocession cover for our worldwide clients. With a highly sophisticated client base, we provide equally sophisticated service capabilities. In this regard, no other intermediary can match our structuring ability and market presence.

Acting on behalf of the world's premier buyers of property retrocession reinsurance, the team's expertise spans both proportional and non-proportional treaty reinsurance protection for both catastrophe and single risk exposures as well as exposure swaps and original loss warranty transactions.

Full Array of Capabilities

Operating as a global unit with over 130 clients worldwide, we have immediate access to Aon Benfield's network of 4,000 colleagues. With a specialized team of more than 50 professionals spread globally across London, Bermuda, U.S., Europe, Middle East and Asia, we offer our clients a complete range of risk transfer solutions, including:
