

ENSURING RETIREES GET THE HEALTH CARE THEY NEED

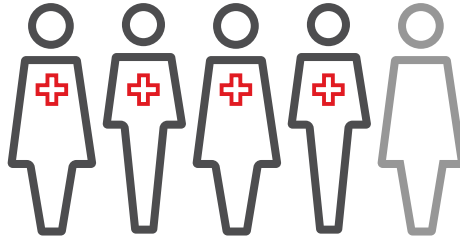

RETIREE HEALTH CARE: MORE COMPLEX AND MORE EXPENSIVE

Rising medical expenses are a burden for all, but retirees are often hit the hardest due to a higher prevalence of chronic illness. At the same time, health insurance has become complicated and difficult to navigate.

62%

Of retirees haven't saved enough to cover their health care costs.

4 OUT OF 5

Americans aged 50+ suffer from one or more chronic conditions.

17%

Of retirees admit they don't know anything about Medicare or HMOs (U.S. medical insurance plans).

HELPING RETIREES FIND THE RIGHT SOLUTIONS

To help retirees find quality coverage, AT&T transitioned them to the Aon Retiree Health Exchange. It offers retirees a broad range of insurance plans and one-on-one guidance to help them find coverage for all their medical needs.

230,000+

AT&T retirees and dependents are enrolled in the U.S.

100+ CARRIERS & 3,700 PLANS

Available to Medicare-eligible AT&T retirees through the Aon Retiree Health Exchange.

1000+

Benefits Advisors helping retirees find the best option to meet their health care needs.

SAVING MONEY, GAINING CHOICE

Aon's Retiree Health Exchange has helped hundreds of thousands of AT&T retirees to live a happier and healthier retirement through more choice, savings and peace of mind.

Of eligible AT&T retirees engaged in the process.

Average annual health care saving per enrollee.

94% of AT&T retirees were satisfied with their experience.
