

Exhibition Insurance Form

For Government and NFP Organisations

Please complete and return this proposal form via post or email using the contact details on page 3.

Answer all questions in full.

Before completing this form you must read page 3, as a requirement of the Insurance Contract Act.

Duty of Disclosure

Before you enter into a contract of insurance, you have a duty under the Insurance Contracts Act 1984 (Clth) to disclose anything that you know, or could reasonably be expected to know, that may affect the insurer's decision to insure you and on what terms. You have that duty after proposal, and up until the time the insurer agrees to insure you. You have the same duty before you renew, extend, vary or reinstate a contract of insurance. You do not need to tell the insurer anything that:

- reduces the risk that is insured;
- is common knowledge;
- your insurer knows or should know as an insurer; or
- the insurer waives compliance with your duty of disclosure.

If you are uncertain about whether or not a particular matter should be disclosed to the insurer, please contact your Aon Client Manager.

Non-disclosure

If you do not tell your insurer anything you are required to, the insurer may cancel your contract or reduce the amount that it is required to pay you if you make a claim, or both. If your failure to disclose is fraudulent, the insurer may refuse to pay a claim and treat the contract as if it never existed.

Subrogation and non-admission

The policy/ policies contain provisions which have the effect of excluding or limiting the insurer's liability in respect of a loss, where you have admitted liability or prejudiced the insurer's rights of subrogation. This may occur where you are a party to an agreement which excludes or limits an insurer's rights to recover the loss from another party.
