

Our Bespoke Broking Capabilities

By delivering expert program design, broking strength, carrier management and seamless fulfillment, Professional Services amplifies the combined value brought to bear by specialist brokers and carriers.

Overview

Aon's Professional Services practice has specialist international insurance brokers who bring:

- Focus on specific industry or risk profiles that give insight into specific market trends and developments
- Multi-layered relationships that provide access to specialist markets and key global underwriting decision makers
- Technical and legal expertise to ensure effective claims advocacy

Aon's Professional Services practice delivers:

Program Design

Utilizing the expertise and experience gained from placing some of the world's largest and most complex risks across the broadest array of professional service firms, the Professional Services practice optimizes clients' risk transfer programs, delivering world class solutions.

Broking Strength

With over 200 specialists located in client service centers in London, New York, Chicago and Montreal as well as Global Broking Centers in London, Bermuda and Singapore, we leverage in excess of US\$1 billion professional service firm premium on clients' behalf with the international insurance markets.

The knowledge sharing, best practice and leverage we deliver across the international insurance and reinsurance market place is unprecedented in the industry.

Carrier Management

Professional Services ensures clients get access to key business executives, underwriters and claims decision makers, maximizing the value delivered by carriers. Clients benefit from fast, efficient dealings with some of the most highly rated and reputable carriers complemented by comprehensive solutions and capabilities.
