

Pensions Training 2020 – Update

Empower results with knowledge and understanding

Our training programme

The Pensions Regulator requires trustees of pension schemes to ensure they have the skills, knowledge and understanding needed to perform their roles effectively.

New trustees are given six months to build up the relevant knowledge and skills, but with a lot to take in, and often only a couple of meetings to do so, it can be a daunting prospect.

Pensions are also an ever evolving area, so once you've mastered the basics there is always something else to learn.

With restrictions in place as a result of the coronavirus pandemic, we have moved all of our courses for the remainder of 2020 online.

Details are shown on the following page.

Our Courses

Defined Benefit Part 1

This introductory course is suitable for new trustees and as a refresher for those with more experience. It will help you gain a clear understanding of your responsibilities as a trustee.

One day (or equivalent)

16-17 September (Webinar)
£450 + VAT per person

17-18 November (Webinar)
£450 + VAT per person

Defined Benefit Part 2

This course is suitable for more experienced trustees who have either already attended the Defined Benefit – Part 1 course or have some experience as a trustee of a defined benefit scheme. It assumes an understanding of the basic concepts of trust law and trusteeship and some knowledge of asset classes and investment markets.

One day (or equivalent)

10-11 September (Webinar)
£450 + VAT per person

8-9 December (Webinar)
£450 + VAT per person

Defined Benefit Trustee Essentials

We are aware that some trustees of defined benefit (DB) schemes like to attend our Defined Benefit Part 1 and Part 2 courses in quick succession.

That's why we created Defined Benefit Trustee Essentials, which combines both parts into one course over two successive days.

Two days (or equivalent)

5/7/9 October (Webinar)
£900 + VAT per person

Defined Contribution

This course is aimed at trustees of a defined contribution scheme or a hybrid scheme with a defined contribution section.

It provides a practical look at the key issues and decisions that trustees face when responsible for a defined contribution scheme, and considers trustees' responsibilities both from a legal and best practice perspective.

One day (or equivalent)

22-23 September (am) (Webinar)
Price: £450 + VAT per person

Pension Governance Committee

Many employers operate contract-based and master trust arrangements (Group Personal Pensions for example), and are increasingly establishing pension governance committees to ensure these arrangements are well-run.

This course is designed specifically to meet the needs of governance committees, identifying best practice and ensuring committee members can carry out their role efficiently.

It is also suitable for HR professionals supporting contract based defined contribution schemes

Half day

30 September (am) (Webinar)
Price: £250 + VAT per person
