

Captive Benchmarking Report

Food Processing and Distribution

For more information please visit www.aon.com/captives

All of today's food processing and distribution companies are facing complex and interconnected risks

We live in an era of unprecedented volatility. Trends around three major dimensions – economics, demographics, and geopolitics – combined with the exponential pace of technology change, are converging to create a challenging new reality for organisations. These forces create opportunities that we cannot even imagine, but also present new frontiers to be explored.

Top five emerging risks

by 2020

Parent country

Aon's Captive & Insurance Management

Aon's Captive & Insurance Management delivers value to clients by focusing on management, control and reduction of clients' total cost of risk.

1,391
insurance entities managed worldwide

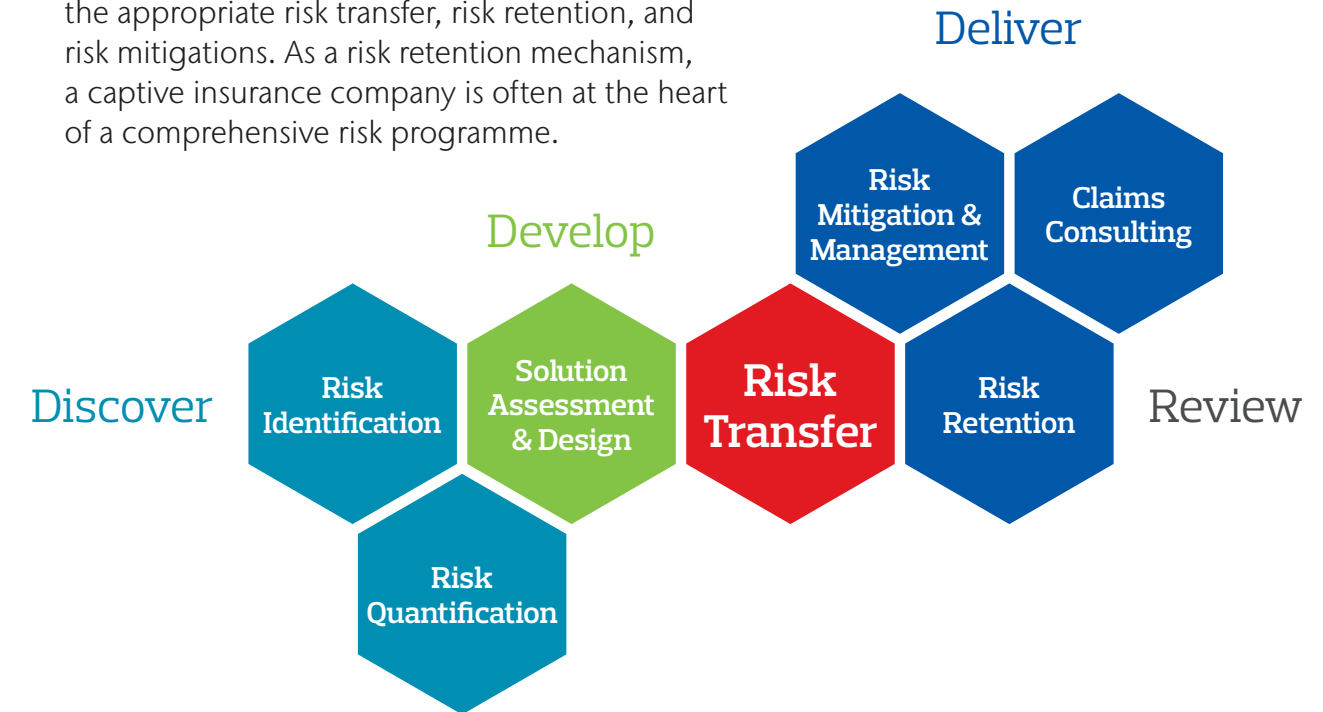

14%
of the insurance management market

\$29bn
total premiums

Our clients generate total premiums of over US\$29 billion per annum through managed insurance vehicles

How we help our clients

We help our clients identify and quantify the risks they face by assisting them with the selection of the appropriate risk transfer, risk retention, and risk mitigations. As a risk retention mechanism, a captive insurance company is often at the heart of a comprehensive risk programme.
