Aon Law Firm Symposium

October 13-15, 2021 | The Arizona Biltmore, Phoenix

After a forced year off, we are planning on holding our annual Law Firm Symposium this fall. We trust that by October, conditions will allow us to renew old friendships and make new ones at the beautiful and historic Arizona Biltmore. Those of you who attended our 2015 Symposium will remember The Arizona Biltmore as an enchanting venue. We are, of course, committed to providing a safe, healthy, and comfortable experience for our guests in 2021. We hope that you will join us for an interesting program addressing a range of timely topics and featuring an outstanding faculty. Our planned programs currently include:

- Law Firm General Counsels' Forum
- This Too Shall Pass: Law Firm Communications in Times of Crisis
- Taking Care of Our Own: Lawyer Well-Being Programs
- Growing Pains: Law Firm Expansion from a Risk Perspective
- Tools of the Conflicts Trade: Advance Waivers and Ethical Screens
- Managing Vendor, Outsourcing, and Other Third-Party Relationships (Concurrent Breakout Session)
- The Rising Tide of Regulatory Scrutiny Overseas (Concurrent Breakout Session)
- The Wolf is at the Door: Considerations When Facing a Potential Legal Malpractice Claim
- Recurring Professional Responsibility and Liability Traps in Transactional Practice
- The Claims Environment from Insurers' Perspectives

The Symposium will begin with a Welcome Reception on the evening of Wednesday, October 13. Programs will begin the morning of Thursday, October 14, and conclude shortly after Noon on Friday, October 15. Look for the Symposium brochure in July. In the meantime, please be sure to *save these dates*.
