

Global institutional perspectives on responsible investing

Over the course of the past year, Aon has noted a dramatic upsurge in the number of institutional clients who are exploring or implementing responsible investing (“RI”) initiatives. To stay current with the evolving landscape, we launched a global responsible investment survey to capture current attitudes towards and developments in investors’ RI thinking, and we’re delighted to share those results with you.

To read our full findings and learn about the changing attitudes, practical application and the future of responsible investment. Download the full report [here](#) today
