

Conflicts, Business Intake, and Lateral Hire Service Offerings

Aon's Law Firm Advisory Team, a specialist unit of Aon's Professional Services practice, draws upon 18 years' experience with AmLaw 100 firms in all aspects of conflicts, business intake, and lateral and new hire integration processes to provide clients with enhanced solutions specifically tailored to their needs and goals.

Business Process Improvement

We evaluate and observe clients' current conflicts, business intake, and lateral and new hire integration processes, provide recommendations for immediate improvements, help execute selected recommendations, and provide process strategies and roadmaps for the future.

Services

- Conflicts Process Improvement
- Business Intake Process Improvement
- Lateral and New Hire Integration Process Improvement

Department and Team Restructuring

We advise clients on whether, when, and how to restructure their conflicts, business intake, and lateral integration departments and teams. We focus on the high level infrastructure of these departments and teams, while also providing guidance on changing or evolving the roles and responsibilities of employees in these areas.

Services

- Conflicts Department and Team Restructuring
- Business Intake Department and Team Restructuring
- Lateral and New Hire Department and Team Restructuring

Conflicts and Business Intake Software Selection

We advise clients on evaluating and selecting conflicts and business intake software to best fit their needs. We provide clients with a detailed script to work through with each software vendor to help meet immediate and future needs and to maximize the value of their technology investment.

Services

- Conflicts Software Evaluation and Selection
- Business Intake Workflow Software Evaluation and Selection

Merger and Acquisition Conflicts Strategies

We advise clients on conflicts processing strategies during pre-merger and acquisition diligence phases. After successful completion and formation of the new entity, we advise on how best to integrate all conflicts and business intake related processes and resources.

Services

- Pre-Merger and Acquisition Conflicts Advisement and Strategies
- Post-Merger and Acquisition Conflicts and Business Intake Integration Advisement and Strategies

We're here to empower results
